

# Moore Balance Brace

Dear Physician,

The Moore Balance Brace is a brace for individuals that have balance issue, postural sway, falling or risk of falling. This is a custom brace that is done bilaterally. If you think your patient would benefit from this brace, we would need the following documents faxed to us:

- Demographic Sheet
- RX: Custom Molded Gauntlet Form
- Document of Medical Necessity
- Office Note that addresses the patient's gait issues

Please fax all of the documents to: **918-642-3690** and please feel free to call me with any questions at 580.471.8652. Thank you for your time and help!

Sincerely,

*Stan Rester*
